

## Speakers: Ramon and

### Carol Babilonia

Ramon and Carol Babilonia established and sustain Evangelism Alive, which is an evangelistic ministry dedicated to bringing the Good News of Jesus Christ to Columbia. They establish and strengthen native pastors in local churches in Columbia, as well as planting new churches throughout the country. Their largest concentration of churches has been in the cities of Medellin and Bogota, the capitol of Columbia.

In recent years, the ministry has expanded its influence to many other areas and has seen churches springing up as they train nationals to take charge of their congregations. When Ramon and Carol visit Columbia, large meetings and conferences are held. The Gospel is also being spread in Columbia over radio airwaves as the ministry expands its outreach.

## Worship and Rhythms Leaders

### Ed and Dawn Bamberg

Ed was called to worship and praise from an eighteen-year business career. Since September of 2007, God has been giving him songs of praise. Those songs are now available on a CD.

Ed is worship leader at Fairlawn Baptist in Fort Pierce, Florida. He and Dawn live in Vero Beach, Florida, with their children, Noah and Cana. Ed and Dawn are the Chairpersons for Florida Family Camp.

## Children and Youth Leaders

Paul and Nanette Kline led the children and youth programs at our 2008 camp and were outstanding. Nanette is also chairman of the Georgia Mountains CFO. They return this year to lead the children and youth programs.

## New Payment Policy

In the past, we have accepted payments as people arrive, requesting only that the registration fee be paid in advance. Beginning with the 2008 retreat, Honey Creek's financial requirements changed significantly, which requires that we know well in advance of the start of the retreat how many adults and children we are expecting and will be paid. Therefore, we request that, to whatever extent possible, you pay by August 15; late fees will apply to all payments received after that date, as outlined in the rates table on the other side.
